Trade Name: Rust Release Super Gel  
Date Prepared: 06/01/2015

Synonyms: None

Product Use Description: 
Rust Removing Compound

Details of the supplier of the safety data sheet
Fluid Environmental Services  
6637 N. Talman Avenue  
Chicago, IL 60155 US
phone: (773) 262-8888  
website: www.fluidenvironmental.com

Section 2 Hazards Identification
This product does not meet the requirements of a GHS hazardous material.

Signal Word: Does Not Apply

Hazard Statements: Does Not Apply

Precautionary Statements: Does Not Apply

Section 3 Composition

Section 4 First Aid

Eye Contact: Immediately flush eyes with water for at least 15 minutes, lifting the upper and lower eyelids intermittently. Check for and remove any contact lenses. Seek medical attention if irritation persists or develops.

Skin Contact: Immediately flush exposed skin with water, while removing contaminated clothing and/or shoes, for at least 15 minutes. Thoroughly wash with soap and water. Seek medical attention if irritation persists or develops.

Inhalation: Remove victim to fresh air. If breathing difficulty occurs and persists seek medical attention. If not breathing give artificial respiration and seek immediate medical attention.

Ingestion: Rinse mouth with water. Do not induce vomiting. Seek immediate medical attention.

Section 5 Fire Fighting Measures

Flammable Properties: Non combustible or flammable and normally not a fire risk.

Suitable Extinguishing Media: Use extinguishing media suitable against surrounding fire or the cause of fire.

Hazardous Combustion Products: None known.

Protective Equipment and Precautions for Fire Fighters: Wear full protective gear and full face pressure demand self-contained breathing apparatus.

Section 6 Accidental Release Measures

Personal Precautions: Avoid direct contact with skin, eyes and clothing. Avoid inhalation of mist, vapor or dust. Wear appropriate personal protective clothing as outlined in Section 8.
Spill Containment: Prevent further leakage or spillage if safe to do so. Contain spilled material and block sewers to prevent entry into the environment.

Spill Clean Up: Absorb with inert material as necessary. Collect and place in suitable container for disposal. Dispose of spilled/collected material in accordance with all federal, state and local regulations.

Section 7 Handling and Storage

Handling: Avoid contact with skin and eyes. Avoid inhalation of mist, vapor and dust. Ensure adequate ventilation. Do not eat, drink or smoke while handling. Wear appropriate personal protective equipment as outlined in Section 8.

Storage: Store in original container. Keep container tightly closed. Store at room temperature (50-90°F) in a dry, well-ventilated area.

Section 8 Exposure Controls/Personal Protection

Engineering Controls: Use local and/or general exhaust ventilation to maintain airborne concentrations below irritation or exposure limits. A risk assessment should be made to determine if respiratory protect is necessary. An eye wash station should be accessible in the work area.

Personal Protective Equipment: Wear appropriate clothing and gloves to prevent skin exposure. Wear appropriate eye protection and/or face shield to protect eyes and face. Wear respiratory protection as necessary.

Hygiene Measures: Follow good hygiene and safety practices. Wash hands and exposed skin before breaks and at the end of the work day. Do not eat, drink or smoke while handling chemicals. Do not wear contaminated or dirty clothing home from the work site. Launder contaminated or dirty clothing before reuse.

Section 9 Physical and Chemical Properties

Section 10 Stability and Reactivity

Reactivity:
Chemical Stability: Stable at room temperatures (50 to 90°F) in closed container under normal use conditions.
Incompatible Materials: Under normal conditions of storage and use, hazardous polymerization will not occur.
Conditions to Avoid: Avoid excessive heating, freezing and chemical contamination.
Decomposition Products: None known.

No Data Available.

Potential Health Effects:
- Eyes: No Data Available
- Skin: No Data Available
- Inhalation: No Data Available
- Ingestion: No Data Available

Symptoms of Exposure: No Data Available

Delayed/Immediate Effects from Short and Long Term Exposure: No Data Available

Section 12 Ecological Information

Ecotoxicity: No Data Available

Persistence and Degradability: No Data Available

Bioaccumulative Potential: No Data Available

Mobility in Soil: No Data Available

Other Adverse Effects: No Data Available

Section 13 Disposal Considerations

Product: Dispose of material in accordance with all federal, state and local regulations.

Packaging: Triple rinse container and offer for recycling. Dispose of container following federal, state and local regulations.

Section 14 Transport Information

Land Transportation - US DOT:
- UN Number: Not Regulated by DOT
- UN Proper Shipping Name: Not Regulated by DOT
- Hazard Class: Not Regulated by DOT
- Packaging Group: Not Regulated by DOT

Section 15 Regulatory Information

No Data Available
Section 16  Other Information

HMIS Ratings:

- HEALTH: 1
- FLAMMABILITY: 0
- REACTIVITY: 0
- PERSONAL PROTECTION:
